Dear Sid:

In conducting a property audit the Auditor needs a listing of GFP. The list of depot spares to be furnished dated 17 June 1958 is incorporated in Contract No. SP-1919 by reference and consists of 25 pages. Is this the complete listing of GFP or was additional material furnished?

Also, please advise when all vehicles have been delivered under this contract. We have DD-250's indicating vehicles were delivered but were missing certain components, e.g.,  
[redacted] Doug has your signature on all DD-250's except 005 which covers #394.

Very truly yours,

Dan
